## Professional Objective

I am a recent graduate seeking a position with an organization where I can learn and make a positive impact. I am eager to apply my academic and professional background towards launching a successful career as a Full Stack Web Developer.

## Education

Aug 2019 – current (expected grad date May 2020)	<b>Austin Coding Academy</b> Full Stack Web Development
Aug 2004 – Aug 2006	<b>Austin Community College</b> AAS degree in Physical Therapy Asst. Scholastic Leadership; Salutatorian
Sept 1998 – May 2004	<b>Texas A&amp;M-Kingsville</b> Bachelor of Science in Biology Minor in Psychology

## Technical Skills

- **Languages:** HTML (CSS), JavaScript(Express, NodeJs)
- **Frameworks & Libraries:** React
- **DevOps:** Git
- **Databases:** MySQL

## Projects

I am currently developing an app for a Skins game in the sport of golf. I have included a database using MySql and back-end and front-end using React. It will be deployed and hosted for all to use.

## Work Experience

### Physical Therapist Assistant | Austin, Tx

09/2006 – present

I have been a licensed Physical Therapist Assistant working in various settings over the years to include outpatient clinics with aquatic and manual therapy, inpatient and outpatient rehab hospitals, and short and long-term care facilities.

- Managed a team of therapists and one rehab tech.
- Prepared daily schedules and staffed appropriately including hiring personnel.
- Facilitated rehab program development within a retirement community.
- Provided therapy and nursing staff educational inservices on various topics.
- Performed patient care daily while maintaining 88%-93% productivity.

### Cashier & Photo Lab Technician | HEB Austin, Tx

2004 – 2006

- Money management and excellent customer service.
- Prepared and processed customer orders with a quick turnaround.
- Processed film strips and digital prints using lab machines.
