Professional Objective

I am a recent graduate seeking a position with an organization where I can learn and make a positive impact. I am eager to apply my academic and professional background towards launching a successful career as a Full Stack Web Developer with an employer offering opportunities for professional development.

Education

Aug 2019 – current (expected grad date May 2020)	Austin Coding Academy Full Stack Web Development
Aug 2004 – Aug 2006	Austin Community College AAS degree in Physical Therapy Asst. Scholastic Leadership; Salutatorian
Sept 1998 – May 2004	Texas A&M-Kingsville Bachelor of Science in Biology Minor in Psychology

Technical Skills

- **Languages:** HTML (CSS), JavaScript(Express, NodeJs)
- **Frameworks & Libraries:** React
- **DevOps:** Git
- **Databases:** MySQL

Projects

I am currently developing an app for a Skins game in the sport of golf. I have included a database using MySql and back-end and front-end using React.

Work Experience

Physical Therapist Assistant | Austin, Tx
09/2006 – present

I have been a licensed Physical Therapist Assistant working in various settings to include outpatient clinics with aquatic and manual therapy, inpatient rehab hospitals with acute and subacute care units, and short and long-term care facilities.

- Managed a team of therapists and one rehab tech.
- Prepared daily schedules and staffed appropriately including hiring personnel.
- Facilitated rehab program development within a retirement community.
- Provided therapy and nursing staff educational inservices on various topics.
- Managed weekly/monthly end close-out duties.
- Performed patient care daily while maintaining 88%-93% productivity.
- Manage a daily caseload of 8-14 patients with appropriate documentation.

Certifications

Full Stack Web Development Completion Certificate (in progress)
Certified Senior Strength Trainer
