

# DEVINA MENDEZ

## WEB DEVELOPER

I am a recent graduate seeking a position with an organization where I can learn and make a positive impact. I am eager to apply my academic and professional background towards launching a successful career as a Full Stack Web Developer.

## EXPERIENCE

### Managerly (managerly.app)

Full Stack Web Developer Intern

6/2020 -  
current

- Assist a small team of Leads and Interns to develop a full stack application designed for managers to energize their 1:1 meetings with employees.
- Collaborate daily through Github, Slack, Friday, and evening recap meetings as well as 1:1 weekly meeting with developer.
- Working with MERN stack and gaining valuable knowledge of Google passports and authentication.
- Creating reusable components, SCSS modules, routes, debugging, and testing so far.

### Capital Area Parkinson's Society

Web Developer

7/2020 -  
ongoing

- Contracted to redesign current WordPress website content and structure, and find a new web host.
- Will maintain and update website on a continual basis.

### Austin Coding Academy

Web Developer Student

7/2019 -
